ME&NHAS-INVEST, S.A.

1- PROJECT OVERVIEW:

The "Suru Aviários" Project intends to invest in the livestock sector, raising laying chicken, chicken meat and eggs, intensively applying modern methods and technologies, for national consumption and in neighboring countries.

OBJECTIVES:

"Suru Aviários" is the second project to be implemented by ME&NHAS-INVEST, SA, and aims to invest and create a value chain in the livestock sector, specifically in the rearing of laying hens, meat hens, eggs, installing automatic chicken slaughter systems, production of feed for consumption and its sale to interested parties, applying the new technologies available to obtain greater productivity.

3- VISION:

(Short-, medium- and long-term vision of the project)

VISION:

ME & NHAS - INVEST, SA. has as its vision, to be recognized for the quality, innovation of its products, at global market level, in the sectors of activities where it will operate in particular, to be a reference company in the national market, sub-regional (ECOWAS) and in the newly created Common Market of the African Union.

STRATEGY:

Its strategy is the production of eggs, meats betting on intensive production, using raw materials and local products for feed production, gradually replacing the import of frozen chickens and their by-products, using new technologies and investing heavily in personnel and human resources, particularly the young layer.

In a first phase the project will be installed in Suru and expanding to other regions as it increases its production and consolidation.
