

## **1- PROJECT OVERVIEW:**

(Summary of general information about the project)

JULNEY MULTI-SERVICES Lda, is a sole proprietorship, constituted under the Decree. 34/2013 of 2 August, aimed at providing various services such as: Training, business training, market research, sale of all types of graphic material, sale of cosmetics and all types of beauty treatment. Import and Export of Products, Civil Construction, Production of all types of Furniture. Her only partner is Júlia António Marrengula. In the area of Carpentry and Joinery, which is where this project is being carried out, sawmill services are also provided.

The company's values are namely: Competence, Quality, Credibility, Flexibility and Responsibility.

For the best progress of the business, it is necessary to invest in modern and quality machinery, namely: Universal Machine, Bandsaw, Tupia, Thicknesser of 60 cm, Chain Drill, Planer with 4 sides. Hence the need for financing from the Chinese Fund, which we believe would be an excellent partnership.

## **2- OBJECTIVES:**

(Summary of the main objectives of the project)

The main objective of the project is to produce and sell all types of furniture, and to offer sawmills for individual carpenters.

## **3- VISION:**

(Short, medium and long term view of the project)

The project's vision is to produce and sell furniture, through the competence, responsibility and professionalism of its employees, guaranteeing the credibility of the products, as well as customer satisfaction and leading the national market in 2 years with a focus on the provinces of Maputo, Beira and Nampula

In the short term, the project foresees good partnerships for the supply of wood, based on the contacts already made.

In the medium term, the project plans to increase the customer base and increase the volume of production  
In the long term, the project aims to pierce other markets and lead the furniture production business
